Due to the current supply chain challenges; we reserve the right to increase this subcontract agreement by the percentage of increase(s) we receive from our suppliers from the execution of this contract until we install the first product. Any increase(s) will be executed with a letter from the said vendor(s) and will be limited to the exact increase. In the event that any specified material becomes unavailable either temporarily or permanently after the contract is executed, provided that such availability is a result of factors beyond Subcontractors control, the Subcontractor reserves the right to substitute the manufacturer material or product that are equivalent "or equal" to those specified in the bid and or contract to help meet the job schedule requirements. Any increase in the cost between the originally specified material and the substitute material shall be paid to Subcontractor.
