Good morning, Team.

Thank you for the Approval. Can we use the Address as the PO?

We are putting the Mb and guess bath which have the Polished nickel Hardware in production today, and we are coming over today to Finalize measurements for the antique mirror by the entrance and the fitness mirrors.

Fitness mirrors, home mirrors, chrome showers and antique Mirrors, should be installing no later than Monday 7/17.

Mb and Guess Shower should be Installed no later than 7/26.

As soon as the I have more information, I will provide you with better information.

Fernando —

Thank you for the drawings. We are good to go on the proposal and approve the quote. Can you put this into production today and when can we expect the crew to arrive and install?

Also did you get to go back out and see the folding weight bench on wall? We need to piece the glass around it. I sent you pics but you may need to relook at it if they aren't cutting in field.
